Dear Madam:

I am returning herewith a delayed certificate of birth of Leonard G. Pearson and a United States Postal Money Order because of the following reasons:

1. Insufficient evidence. At least one A evidence is required and the enclosed high school certificates do not prove age, date of birth, place of birth, or parents names, therefore these two pieces of evidences are of no value whatsoever.
2. The father's affidavit is not accepted because the applicants name on this affidavit is not the same as on the delayed birth certificate form.
3. Insurance policies should carry on the certification a policy number, by whom issued and the date of birth.

I am sorry that I am forced to return this but I am sure you understand that it is a matter of legality.

Yours truly,

S. C. Rutland, M. D.
